Alberta Infrastructure and Transportation

Stats & Facts

Alberta

2007-05425/

Stats & Facts

Number/Age of Licensed Drivers *

2,456,906		licensed drivers
251,968	(10.3%)	65 and over
1,812,092	(73.7%)	25-64
392,846	(16.0%)	14-24

Driver's Licence Classes*

173	(0.007%)	motorcycle
71,588	(2.9%)	commercial and motorcycle
119,787	(4.9%)	learners
146,368	(6.0%)	basic and motorcycle
233,462	(9.5%)	commercial
1,885,528	(76.7%)	basic passenger

Commercial Transportation Programs*

3,182	provincially licensed inspection facilities (as of June 1, 2006)
180,188	inspections under Commercial Vehicle Inspection Program (in 2005)
182,257	permits for overloads, over dimension, licensing (in 2005/06)
1,210,920	commercial vehicles weighed and 78,238 checked for valid administrative documentation annually
20,378	carriers monitored and issued Safety Fitness Certificates under the National Safety Code

* numbers as of March 31, 2006 unless otherwise noted

Provincial Highway Network

Estimated 2005 replacement value: $34.4 billion

30,860 km	total provincial highway network
24,280 km	surfaced
4,340 km	graveled
2,240 km	4 and 6 lane divided
3,980	bridge structures (including culverts)

Railways

7,183	kilometres total length of rail line
46,767,202	tonnes total weight shipped by rail that originated in Alberta*
13,732,833	tonnes total weight shipped by rail destined for Alberta*
3	public railways
925	kilometres of intra-provincial rail line
245	industrial railways
5	amusement railways

* includes Northwest Territories

Air Transportation

2	international airports
12	regional airports
71	paved community airports
15.4	million passengers (during 2005)*

* passenger statistics provided by airports

Health Facilities

9	health authorities
1	cancer board
251	healthcare facilities
30,835,125	sq. ft. of facility space (2.9 million m^2)

School Facilities (K-12)

64	school boards (public, separate and francophone)
13	charter schools
1,440	schools (regular operating schools only)
541,647	school population (based on 2005-06 school year enrolments)
74,053,392	sq. ft. of facility space (6.9 million m^2)

Post-Secondary Institutions

4	universities
14	colleges
2	technical institutes
	The Banff Centre
138,365	students enrolled
31,899,006	sq. ft. of facility space (3.0 million m^2)

Seniors' Lodges

121	seniors' lodges
6,500	residents
3,200,000	sq. ft. of facility space (0.3 million m^2)

Water Management Facilities

Estimated 2005 replacement value: $6.0 billion

105	major water management facilities (dams, diversion works, weirs, control structures)
510	kilometres of main irrigation canals
2.22	million cubic meters of reservoir storage

These facilities secure water for 55 municipalities and 1.3 million acres of irrigated land.

2006 - 09 Government of Alberta Capital Plan*

$13.3 billion infrastructure investment over three years including:

- $3.6 billion in provincial highways
- $3.1 billion for municipal infrastructure grant programs
- $2.9 billion for healthcare facilities and equipment
- $833 million for schools
- $1.1 billion for post-secondary facilities
- $277 million for water and wastewater management
- $376 million for community facilities and centennial projects
- $668 million for government facilities and equipment
- $372 million for small, emerging capital needs

*as of March 2006

Government Owned and Leased Properties on back

Our Vision

Alberta Infrastructure and Transportation is a Centre of Excellence providing effective infrastructure to support Alberta's growth and prosperity.

Our Mission

We contribute to Alberta's economic prosperity and quality of life through the provision and support of effective, safe, innovative and sustainable transportation, public buildings, and water and wastewater infrastructure.

Government Owned and Leased Properties

Replacement cost: $3.5 billion

Office Space

Owned:	181 buildings	496,676 m^2	5,346,171 sq. ft.
Leased:	224 buildings	478,234 m^2	5,147,668 sq. ft.

Community Services (group homes, residences, education/training)

Owned:	511 buildings	440,903 m^2	4,745,831 sq. ft.
Leased:	31 buildings	29,373 m^2	316,169 sq. ft.

Maintenance and Service (salt sheds, highway maintenance garages)

Owned:	833 buildings	219,804 m^2	2,365,948 sq. ft.
Leased:	10 buildings	6,414 m^2	69,035 sq. ft.

Justice (courts, correctional centres)

Owned:	71 buildings	297,855 m^2	3,206,078 sq. ft.
Leased:	5 buildings	2,101 m^2	22,614 sq. ft.

Research (laboratories)

Owned:	39 buildings	137,958 m^2	1,484,961 sq. ft.
Leased:	2 buildings	8,027 m^2	86,405 sq. ft.

Cultural (historic sites, museums, interpretive centres)

Owned:	27 buildings	135,529 m^2	1,458,817 sq. ft.

Warehouses

Owned:	69 buildings	54,321 m^2	584,703 sq. ft.
Leased:	22 buildings	27,231 m^2	293,114 sq. ft.

Legislative (legislature building and annex, Government House, Lieutenant Governor's residence, McDougal Centre)

Owned:	5 buildings	34,024 m^2	366,235 sq. ft.

Other (multi-use facilities)

Owned:	13 buildings	971 m^2	10,453 sq. ft.
